

Download Secrets Of The English War Bow

"Secrets of the English War Bow" is a very well written & constantly interesting book on the vitally important weapon of the fourteenth & fifteenth century English military that has been obviously thoroughly researched by the author. Secrets of the English War Bow has some interesting moments, interspersed unfortunately with torrential downpours of technical detail that isn't clearly explained for a reader not already versed in the mechanics and nomenclature of bowmaking. For now, I've skimmed it. Maybe I'll return when I get some more knowledge under my belt. Illustrated in color and black and white, Secrets of the English War Bow provides an invaluable service for those interested in medieval military history, archery, and technology. Hugh D. H. Soar is one of the world's leading experts in the history of archery, particularly the design and use of the longbow. "Secrets of the English War Bow" is a very well written & constantly interesting book on the vitally important weapon of the fourteenth & fifteenth century English military that has been obviously thoroughly researched by the author.
